Josselyn Lizeth Torres Robalino

Junior Full Stack Developer | Java Spring Boot | Node.js | Kotlin Android | PostgreSQL | Docker

Madrid, Spain · [LinkedIn](#) · [GitHub](#) · lis.torres.robalino@gmail.com · +34 656 679 039

PROFESSIONAL SUMMARY

Junior Full Stack Developer with experience in backend (Java Spring Boot, Node.js), mobile frontend (Kotlin Jetpack Compose), databases (PostgreSQL, Supabase), RESTful API development and process automation (n8n). Experienced with version control (Git Flow) and agile methodologies. Highly motivated to continue growing professionally.

PROFESSIONAL EXPERIENCE

Centinel Assist
Process Automation Collaborator | Jan 2025 – Present
- Developed business process automation flows using n8n (calendars, payments, messaging, custom chatbots).
- Automated administrative tasks, reducing manual workloads through no-code/low-code solutions.

Clever Trading Europe
Full Stack Developer | Mar 2025 – Jun 2025

Cross-Platform Application (C2C)
- Backend development using Node.js (modular architecture) integrated with Supabase (BaaS).
- Frontend development with TypeScript, JavaScript, HTML, and CSS.
- Delivered functional beta versions validated by test users.
  Version control using Git, GitHub, and Git Flow in collaborative environments.

Mobile Application (B2B)
- Backend development with Java Spring Boot exposing RESTful APIs connected to PostgreSQL.
- Dockerized both API and database in independent containers with unified deployment configuration.
- Native mobile frontend development using Kotlin (Jetpack Compose) following Clean Architecture.
- Delivered functional prototypes for internal client validation.
- Developed organizational and communication skills in a collaborative team.

MITECO (Spanish Ministry for the Ecological Transition and Demographic Challenge)
Executive Assistant | Aug 2024 – Mar 2025

- Administrative management and coordination of institutional projects.
- Drafted official documentation and supported internal projects.
- Developed organizational, communication, and document management skills.

SUSHI SANO S.L.
Maitre Assistant and Waitress | Jan 2016 – Aug 2023
- Daily coordination of staff, suppliers, and incidents.
- Customer service and problem resolution in high-demand environments.

EDUCATION

Higher Technician in Multiplatform Application Development (DAM) — IES Islas Filipinas, Madrid (Sep 2023 – Jun 2025)
Higher Technician in Executive Assistance — IES Islas Filipinas, Madrid (Sep 2019 – Dec 2022)

TECHNICAL SKILLS
